Hi Susan,

Sorry to bother you.

I carefully checked the proofs, and everything looks fine, but the paper has been revised since the last copy I saw (attached). For example, more references have been added, and the Challenges section has been rearranged.

I just want to be sure the proof is the correct (last) version you submitted.

Regards,
Jim

Dear all,

I have resubmitted the ES&T paper. Thanks again for all your contributions. Attached is the submitted version. Let's hope for the best!

Thanks,

Susan
